

U.S. Department of Health and Human Services

COMMUNITY LEADER FOR VALUE-DRIVEN HEALTH CARE CERTIFICATE OF RECOGNITION

Presented to:

Georgia Medical Care Foundation, Inc.

The Secretary of the U.S. Department of Health and Human Services hereby recognizes Georgia Medical Care Foundation, Inc. as a Community Leader for its commitment to the transformation of the U.S. health-care system. The Secretary recognizes the significant action taken and commitment to promote the use of interoperable health information technology, support the provision of quality and price information, and to foster the delivery of high-quality and cost-efficient care through programs and incentives. These actions contribute to a value-driven health-care system that delivers continued progress in medical care and good health for all Americans. The Secretary encourages continuance of good work in supporting value-driven health care and sharing knowledge locally and nationally with other stakeholders and Community Leaders.
