

DIRECTIONS TO GMCF

Georgia Medical Care Foundation offices are located near Perimeter Mall in Atlanta, at 1455 Lincoln Parkway, Suite 800.

I-285 circles the city of Atlanta. Think of it as a clock, with GMCF's location near 12 on the dial.

EASTBOUND ON I-285 NORTH

Take the Ashford-Dunwoody exit (No. 29) and turn left at the light onto Ashford-Dunwoody. Angle toward the right lane. Go .4 miles (past the two entrances for the Ravinia building) and turn right at the light (Exxon station) onto Perimeter Center East. Go .6 miles and turn right onto Lincoln Parkway (the second sign for Building 56). Take the second right into the parking lot of the 1455 Lincoln Parkway building.

WESTBOUND ON I-285 NORTH

Take the Ashford-Dunwoody exit (No. 29) and turn right at the light onto Ashford-Dunwoody. Go .3 miles (past the two entrances for the Ravinia building) and turn right at the light (Exxon station) onto Perimeter Center East. Go .6 miles and turn right onto Lincoln Parkway (the second sign for Building 56). Take the second right into the parking lot of the 1455 Lincoln Parkway building.

ONCE AT THE 1455 LINCOLN PARKWAY BUILDING

You can park on the level that you first turn onto, which is the main entrance on the second floor. Or, as you first turn into the parking lot, you can take the first quick left or the left at the far end, both of which lead to underground parking. From there you will enter the first floor, where there is a café open until 3 p.m. On either floor, elevators await to whisk you to the 8th floor.

IF YOU MISS PERIMETER CENTER EAST ...

Don't panic, there is a second entrance (Perimeter Center East is a U-shaped loop road). Turn right beside Bank of America. Go .6 miles. Because of a median, you will have to overshoot the Lincoln Parkway entrance for a U-turn back to Lincoln Parkway. If you see the blue Philips sign, you've gone too far – turn around and look for Lincoln Parkway (the second sign for Building 56).
