

***If you have Medicare... you have rights!***

***If you are being discharged from Skilled Nursing, Home Health, Hospice or Outpatient Rehabilitation:***

You must receive a written "Notice of Medicare Provider Non-Coverage" from your health-care provider prior to discharge. If you do not agree with the discharge, you may appeal that decision. The "Notice of Medicare Provider Non-Coverage" will have the phone number and the time by which you need to appeal.

If you are not given a "Notice," ***ask for one.***

You can call ***gmcf*** any day from 8:00 a.m. to 4:00 p.m. (Eastern Time) at

**678-527-3413 or 1-800-982-0411, ext 3413**

if you have questions about this right.
